**A BY-LAW OF THE VILLAGE OF FOREMOST IN THE PROVINCE OF ALBERTA TO
AMEND THE VILLAGE OF FOREMOST LAND USE BY-LAW NO. 550.**

PURSUANT to the provision of the Municipal Government Act, being Chapter M-26, of the Revised statutes of Alberta 2000, and amended thereto, and

WHEREAS Council wishes to amend Land Use Bylaw No. 550 to ensure appropriate land use regulations are in place related to cannabis activities prior to a future date when cannabis is legalized;

HAVING held a public hearing to consider objections to the proposed amendment to ensure appropriate land use regulations are in place related to cannabis activities prior to a future date when cannabis is legalized;

NOW THEREFORE, the Council of the Village of Foremost, duly assembled, hereby amends Bylaw No. 550 as follows:

1. Add the following definitions to Part I – Section 6 in accordance with the alphabetical order of the section:

Cannabis means cannabis plant, fresh cannabis, dried cannabis, cannabis oil, and cannabis plant seeds and any other substance defined as cannabis in the *Cannabis Act* (Canada) and its regulations, as amended from time to time and includes edible products that contain cannabis.

Cannabis Lounge means development where the primary purpose of the facility is the sale of cannabis to the public, for the consumption within the premises that is authorized by federal and provincial legislation.

Cannabis Production and Distribution means development used principally for one or more of the following activities as it relates to cannabis;

- a) The production, cultivation, and growth of cannabis;
- b) The processing of raw materials;
- c) The making, testing, manufacturing assembling or in any way altering the chemical or physical properties of semi-finished or finished goods and products;
- d) The storage or transhipping of materials, goods, and products; or
- e) The distribution and sale of materials, goods and products to cannabis retail stores or to individual customers.

Cannabis Retail means a development used for the retail sale of cannabis that is authorized by federal and provincial legislation.

Health Facility means development providing general health and wellness on an outpatient basis. This term includes but is not limited to uses such as dental offices, physiotherapy, counseling, chiropractic, naturopathic, and therapeutic massage.

Medical Clinic means development where a doctor provides medical care on both an inpatient and outpatient basis to persons afflicted with or suffering from sickness, disease or injury or for the convalescent or chronically ill persons. This term includes provincially-approved extended medical care, walk-in clinics, hospitals, and nursing homes.

Schools means development providing academic and technical instruction. This use may also include supplementary programs such as before and after school care, or community programs. This term refers to uses such as public and private schools for grades K to 12 and colleges as defined by Provincial legislation.

2. Add the following section within Part V:

Cannabis Uses

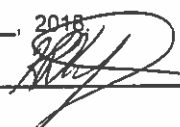

- (1) For the purposes of this section 'Cannabis Uses' shall include Cannabis Lounges, Cannabis Retail Sales, and Cannabis Production and Distribution.
- (2) Cannabis Uses shall be stand-alone uses and cannot be combined with another use. However, a Cannabis Retail Sales can occur in a multi-tenant building or as part of a mixed-use development assuming there is no common entry or way of passing from one unit to another.
- (3) Cannabis Uses shall be separated by 100m from Medical Clinics and Schools as defined in this bylaw. For the purposes of this subsection:
 - a. Separation distance shall be measured from the closest point of the subject site boundary to the closest point of another site boundary, and shall not be measured from edge of structures.
 - b. The Development Authority shall not grant variances to the established separation distances.
- (4) Prior to issuance of a development permit the Development Authority may require specific design requirements that ensure that the development provides a safe environment, including but not limited to façade design, exterior illumination, landscaping, screening, building orientation and access, and/or measures that prevent nuisances such as odour.
- (5) Unless specifically addressed in this bylaw, Cannabis Related Uses shall comply with all Federal and Provincial Legislation and Alberta Gaming and Liquor (AGLC) regulations.

3. Amend the land use districts within Part VI as outlined in the table below:

Land Use District	Discretionary Uses
Public Institutional "PI"	REMOVE <ul style="list-style-type: none"> • Health clinics • Hospitals ADD <ul style="list-style-type: none"> • Health Facility • Medical Clinic
Retail Commercial "RC"	REMOVE <ul style="list-style-type: none"> • Health clinics ADD <ul style="list-style-type: none"> • Cannabis Lounge • Cannabis Retail Sales • Health Facility • Medical Clinic

Industrial "I"	ADD <ul style="list-style-type: none"> • Cannabis Retail Sales • Cannabis Production and Distribution

4. Renumber the sections throughout the bylaw in accordance with the revisions made in relation to this amendment.
5. The remainder of Bylaw No. 550 is not amended by this Bylaw and remains in full force and effect.
6. It is the intention of Council that each separate provision of this Bylaw shall be deemed independent of all other provisions herein and it is further the intention that if any provision of the Bylaw be declared invalid, all other provisions thereof shall remain valid and enforceable.

PART I - SHORT TITLE, PURPOSE AND DEFINITIONS

1. SHORT TITLE

- (1) This By-law may be cited as the "Village of Foremost Land Use By-law".

2. PREVIOUS LEGISLATION

- (1) Land Use By-law No. 414 and all subsequent amendments is hereby repealed.
- (2) This By-law comes into force upon the date of final reading.
- (3) An application for a development permit which is received in its complete and final form prior to the effective date of this By-law shall be processed as if By-law 414 and amendments thereto had remained in force.

3. PURPOSE

- (1) The purpose of this by-law is to prohibit or regulate and control the use and development of land and buildings within the Village of Foremost in accordance with the provisions of the Municipal Government Act.

4. APPLICATION OF THIS BY-LAW

- (1) Except as permitted in this By-law, no person shall commence a development unless that person has been issued a development permit for the development.
- (2) If one or more provisions of this By-law are for any reason declared to be invalid, it is intended that all remaining provisions are to remain in full force and effect.

5. INTERPRETATION

- (1) In this By-law, unless the context otherwise requires, the expression 'use' or 'to use' shall include done or permitted by the owner or occupant of any land, building or structure, directly or indirectly, or by or through any trustee, tenant, servant or agent acting for or with the knowledge and consent of the owner or occupant for the purpose of making use of the said land, building or structure.
- (2) Unless the contrary intention appears, The Interpretation Act applies to this By-law.
- (3) If there is any uncertainty or dispute about that exact location of the boundary of any district as shown on the Land Use District Map the location shall be determined by the application of the following rules:
 - (a) where a District boundary is shown as approximately following the centre of a public roadway, it shall be deemed to follow the centre line thereof;
 - (b) where a District boundary is shown as approximately following the boundary of a lot, the lot boundary shall be deemed to be the boundary of the District for that portion of the District boundary which approximates the lot boundary;
 - (c) where a District boundary is shown approximately following Village limits it shall be deemed to be following Village limits;
 - (d) where a District boundary is shown as following pipelines, railway lines, or utility easements it shall be deemed to follow the centre line of the right-of-way thereof;
 - (e) where a District boundary is shown as approximately following the edge of a body of water, it shall be deemed to follow such lines, and in the event of change in such edge or shorelines, it shall be deemed as moving with the same;
 - (f) where a District boundary is shown as being parallel to or as an extension of features noted above, it shall be so construed;
 - (g) where a District boundary is shown as approximately following a topographic contour line or a top-of-bank line, it shall be deemed to follow such line, and in the event of change in such line, it shall be deemed as moving with that line;
 - (h) where features on the ground are at variance with those shown on the Land Use District Map or in other circumstances not mentioned above, the Municipal Planning Commission shall interpret the District boundaries. Any such decision may be appealed to the Development Appeal Board; and
 - (i) where a land use District boundary is not located in conformity to the provisions of Clauses (a) to (i) of this Section (3) and in effect divides or splits a registered parcel of land, the disposition of such boundary shall be determined by dimensions indicated on the Land Use District Map or by measurements directly from that Map.
- (4) Metric and Imperial Measurements
If the conversion between metric and imperial measurements pertaining to a development permit application is not exact as prescribed in this By-law, the Development Officer or the Municipal Planning Commission,

as the case may be, may apply metric or imperial measurement to the development permit application.

 - (a) refer for comments any application which meet the requirements of the land use by-law to any agency or person when deemed appropriate or as required under the Subdivision and Development Regulation;
 - (b) consider and decide upon all applications considered pursuant to section 652(4) of the Act. The Planning Advisor may approve such applications with or without conditions;
 - (c) refer, with a recommendation, to the Council all other completed applications for subdivision which meet the requirements of the land use by-law.

10. MUNICIPAL PLANNING COMMISSION

- (1) The Municipal Planning Commission, with the assistance of the Development Officer, shall administer this By-law.
- (2) The Municipal Planning Commission is hereby delegated the power to make decisions with respect to applications for a development permit pursuant to the Municipal Planning Commission By-law.
- (3) The Municipal Planning Commission shall consider and decide upon all development applications referred to it by the Development Officer or subdivisions referred to it by the Planning Advisor, and may:
 - (a) approve the application unconditionally;
 - (b) approve the application subject to conditions considered appropriate; or
 - (c) refuse the application citing reasons for such refusal.
- (4) The Municipal Planning Commission is authorized to decide upon an application for a development permit notwithstanding that the proposed development does not comply with this By-law if in the opinion of the Municipal Planning Commission:
 - (a) the proposed development would not;
 - (i) unduly interfere with the amenities of the neighbourhood, or
 - (ii) materially interfere with or affect the use, enjoyment or value of neighbouring properties, and
 - (b) the proposed development conforms with the use prescribed for that land or building in the land use by-law.
- (5) In exercising its authority under subsection (4), the Municipal Planning Commission shall exercise its discretion if there is unnecessary hardship or particular difficulty peculiar to the land or building the subject of the development permit application and which is not generally common to other land or buildings in the same district but not if an application is made on the basis of self-inflicted hardship or on the individual personality.

11. SUBDIVISION AND DEVELOPMENT APPEAL BOARD

- (1) The powers, duties and responsibilities of the Subdivision and Development Appeal Board with respect to this By-law are those established in the Forty Mile Inter-municipal Subdivision and Development Appeal Board Agreement.
- (2) If the decision of the Development Officer, the Municipal Planning Commission to approve a development permit is reversed by the Development Appeal Board, the development permit so approved shall be null and void.

12. CONTRAVENTION, ENFORCEMENT, AND PENALTIES

- (1) If a development authority finds that a development, land use or use of a building is not in accordance with a development permit or subdivision approval, the development authority may, by written notice, order the owner, the person in possession of the land or building, or the person responsible for the contravention, or any or all of them, to
 - (a) stop the development or use of the land or building in whole or part as directed by the notice;
 - (b) demolish, remove or replace the development; or

- (2) A persons who receives a notice referred to in subsection (1) may appeal to the appeal board.
- (3) If a person fails or refuses to comply with an order directed to him under sub-section (1), or an order of the appeal board, the Village may, in accordance with the Act, enter on the land or building and take any action necessary to carry out the order.
- (4) The Village may register a caveat under the Land Titles Act in respect of an order referred to in subsection (1) against the certificate of title for the land that is the subject of the order.
- (5) If a person refuses to allow the entry, inspection, or enforcement referred to in sub-section (3), the Village may apply to the Court of Queen's Bench by way of originating notice, for an injunction or other order restraining a person from interfering with the entry, inspection, or any action necessary to carry out the order. A copy of the originating notice and a copy of each affidavit in support must be served at least 3 days before the day named in the notice for hearing the application.
- (6) Prosecution for non-compliance with this by-law may be commenced within two years of the occurrence of the offence. A person who is found guilty of an offence under the Act or this by-law is liable to a fine of not more than \$10,000 or imprisonment for not more than a year, or both fine and imprisonment.

13. ESTABLISHMENT OF FEES

- (1) Council may from time to time establish by resolution such fees as are required for the purpose of this By-law.

14. APPLICATION TO AMEND THE BY-LAW

- (1) A person may request an amendment to this By-law, by applying in writing, giving reasons in support of the application and paying the application fee, the amount of which shall be determined from time to time by resolution of Council.
- (2) Council may at any time amend this By-law in accordance with the Planning Act by directing the Development Officer to initiate the procedure therefore.
- (3) All amendments to this By-law shall be made by Council by by-law and in conformity with the Planning Act.

PART III - PROCEDURE FOR DEVELOPMENT PERMITS

15. PERMISSION FOR DEVELOPMENT

- (1) Subject to Section 16, a person shall not commence a development unless that person has obtained a development permit for the development from the Development Officer or the Municipal Planning Commission, as the case may be.

16. DEVELOPMENT DEEMED APPROVED

- (1) It shall not be necessary to obtain a development permit prior to commencement of any of the following types of development provided that such development complies with all applicable provisions of this By-law:
 - (a) the use of a building or part thereof as a temporary polling station, returning officers' headquarters, revising officers' headquarters, candidates campaign offices and any other official temporary use in connection with a federal, provincial, municipal or school election, referendum or census;

 - (viii) location of sidewalks and curbs;
 - (ix) location and dimensions to property lines of any building or structure, utility poles, retaining walls, trees, landscaping, physical features, etc.;
 - (x) dimensioned layout of parking areas, entrances and exits;
 - (xi) abutting streets, avenues and lanes shown and labelled;
 - (xii) existing and any proposed utilities shown in streets, avenues and lanes;
 - (xiii) all easements shown and labelled;
 - (xiv) such other plans, photographs or other materials as the Development Officer or the Municipal Planning Commission may consider necessary to properly evaluate the proposed development.
 - (b) a set of plans, in triplicate, showing floor plans, elevations and perspectives of the proposed

- development, including a description of exterior finishing materials.
- (c) proof of ownership or authority to apply for a development permit.
- (2) An applicant for a development permit for the excavation, stripping or grading of land, which is proposed without any other development on the same land, shall send with his application the following information:
 - (a) location of the lot, including the municipal address, if any, and legal description;
 - (b) the area of the lot on which the development is proposed;
 - (c) the type of excavation, stripping or grading proposed, showing the dimensions of the operation or the area of the land and the depth to which the topsoil is to be removed;
 - (d) existing height of the land relative to any abutting public roadway, adjoining lot, ravines and escarpments expressed as an elevation above geodetic mean sea level;
 - (e) location of the lot where the excavation, stripping or grading is to be made or the topsoil removed in relation to the boundaries of the lot;
 - (f) the condition in which the excavation, stripping or grading is to be left when the operation is complete or the use of the area from which the topsoil is removed.
 - (3) The Development Officer may require that an application for a development permit shall be accompanied by a plan of survey, in triplicate, of the site subject to the proposed development prepared by an Alberta Land Surveyor.
 - (4) All drawings required to be submitted shall be drawn on standard drafting material to a scale of not less than 1:100 (1/8 inch = 1 foot), or such lesser scale as the Development Officer may approve and shall be fully dimensioned, accurately figured, explicit and complete.
 - (5) Landscaping plans shall show all existing and proposed physical features, including berms, slopes, walls, shrubs and trees. The plans shall clearly distinguish between existing vegetation which is to be retained and that which is to be removed or added.
 - (6) The Development Officer or the Municipal Planning Commission may deal with an application and make a decision thereon without all of the information required by Section 14 if his or its opinion, the nature of the development is such that a decision on the application can be properly made without such information.

19. APPLICATIONS DEEMED REFUSED

- (1) An application for a development permit shall, at the option of the applicant, be deemed to be refused when a decision on the application is not made by the Development Officer or the Municipal Planning Commission, as the case may be, within 40 days of the receipt of the completed application.

20. RIGHT OF APPEAL

- (1) A person may appeal to the Appeal Board where:
 - (a) the Development Officer or Municipal Planning Commission
 - (i) refuses or fails to issue a Development Permit to a person, or
 - (ii) issues a Development Permit subject to conditions, or
 - (iii) issues an order of compliance under the Act.
 - (b) no decision on a Development Application is made within 40 days of receipt of the completed application.
- (2) A person affected by an order, decision or development permit made or issued by the Development Officer or Municipal Planning Commission, as the case may be, other than a person having a right of appeal under Section 20(1) of this By-law may appeal to the Appeal Board in accordance with the Act and this By-law.
- (3) An appeal to the Appeal Board shall be commenced by serving a written notice of the appeal on the Development Appeal Board within 14 days after:
 - (a) in the case of an appeal made by a person referred to in Section 20(1)(a) of this By-law, the date on which:
 - (i) the person is notified of the order or decision or the issuance of the development permit, or
 - (ii) if no decision is made with respect to the application for a development permit, the 40-day period referred to in Section 20(1)(b) of this By-law.
 - (b) in the case of an appeal made by a person referred to in Section 20(2) of this By-law, the date on which the notice of the approval of the development permit is published in a newspaper circulating in the Village.

21. CERTAINTY OF USE

- (1) Where an application is for a use listed in the permitted use tables of the land use districts for which the lot

is designated, the application shall not be refused by the Development Officer or Municipal Planning Commission on the grounds of use only.

- (2) Where an application is for a use listed in the discretionary use tables of the land use district for which the lot is designated, the application shall not be refused by the Municipal Planning Commission on the grounds of the use if the proposed use conforms to an adopted area structure plan or area redevelopment plan in accordance with the provisions of the Act.

22. DEVELOPMENT AGREEMENT

- (1) If as a result of an application for a development permit:
 - (a) construction of a public roadway will be required to give access to the development the subject of the development application,
 - (b) the installation of utilities to serve the development will be necessary,
 - (c) the construction of off-street or other parking facilities and loading and unloading facilities will be required,
 - (d) an off-site levy or redevelopment levy under the Act is required to be paid, or
 - (e) the construction of
 - (i) pedestrian walkway system to serve the development, or
 - (ii) a pedestrian walkway to connect the pedestrian walkway system serving a development with a system serving or proposing to serve an adjacent development is required, the applicant for the development permit shall enter into a development agreement with the Village.
- (2) The development agreement pursuant to Section 22(1) shall be registered in the Land Titles Office in the form of a caveat against the certificate of title for the land that is the subject of the development agreement.
- (3) A caveat registered pursuant to Section 22(2) of this By-law shall be discharged by the Village when the requirements and conditions of the agreement have been met.

23. VALIDITY OF DEVELOPMENT PERMIT

- (1) When an application for a development permit has been approved by the Development Officer or the Municipal Planning Commission, as the case may be, the development permit shall not be valid unless and until:
 - (a) any conditions of approval, save those of a continuing nature, have been fulfilled; and
 - (b) no notice of appeal from such approval has been served on the Appeal Board within the time period specified in Section 20 of this By-law.
- (2) Unless a development permit is:
 - (a) specified by the Development Officer or the Municipal Planning Commission to remain in effect for less than 12 months, or
 - (b) suspended or cancelled, a development permit remains in effect for 12 months from the date of its issue.

24. DEVELOPMENT PERMIT TRANSFERS

- (1) A development permit is not transferrable without the prior consent of:
 - (a) if the permit was issued by the Development Officer in the first instance, the Development Officer or the Municipal Planning Commission, or
 - (b) if the permit was issued by the Municipal Planning Commission in the first instance, the Municipal Planning Commission.

25. RIGHT TO REVOKE DEVELOPMENT PERMIT

- (1) The Development Officer or the Municipal Planning Commission may revoke a development permit if:
 - (a) there is a contravention of any condition under which such permit was issued,
 - (b) the said permit was issued in error,
 - (c) the said permit was issued on the basis of incorrect information.
- (2) A person whose development permit is suspended or cancelled under this Section may appeal to the Appeal Board in accordance with the provisions of this By-law and the Forty Mile Subdivision and Development Appeal Board Agreement.

26. PUBLIC NOTIFICATION-DEVELOPMENT PERMITS

- (1) Immediately after approving or refusing a development permit for a permitted use or for a discretionary use

by the Development Officer or Municipal Planning Commission, the Development Officer shall publish in a local newspaper, on any day other than a Saturday, Sunday or statutory holiday, a notice stating the location of the property for which the application has been approved and the use to be made on the land.

- (2) The applicant shall immediately be notified of the decision in writing.
- (3) Prior to an application being considered for a development permit involving a discretionary use by the Municipal Planning Commission, the Development Officer may notify the adjacent land owners with respect to the proposed development in the following manner:
 - (a) by ordinary letter post to each adjacent owner of land as defined in the Act, or
 - (b) by publication once in a newspaper circulating in the Village, or
 - (c) by posting in a conspicuous place on the site of the proposed development not less than 7 days prior to the date of consideration of the application, or any combination of the above.

27. SUBSEQUENT APPLICATIONS

- (1) Subject to Section 27(2), if an application for a development permit is refused, another application for a permit on the same lot of land and for the same or similar use of land by the same or any other applicant shall not be accepted for at least six months after the date of refusal, or if an appeal is made, six months from the date of the final determination of the appeal.
- (2) An application referred to in Section 27(1) may be accepted by the Development Officer if it is for a permitted use and complies in all respects with the By-law.

PART IV - SUBDIVISION PROCEDURES

28. REQUIREMENT FOR A SUBDIVISION

- (1) Land Titles Office will not accept for registration an instrument that has the effect or may have the effect of subdividing a parcel of land unless the subdivision has been approved by a subdivision authority.
- (2) Notwithstanding subsection (1) but subject to subsection (4), a subdivision is not required if registration of the instrument results in the issuing of one or more certificates of title and the parcel of land described in each certificate of title so issued would consist only of any or all of the following:
 - (a) a quarter section;
 - (b) a river lot shown on an official plan as defined in the Surveys Act, that is filed or lodged in a land titles office;
 - (c) a lake lot shown on an official plan as defined in the Surveys Act, that is filed or lodged in a land titles office;
 - (d) a settlement lot shown on an official plan as defined in the Surveys Act, that is filed or lodged in a land titles office;
 - (e) a part of the parcel of land described in the existing title if the boundaries of the part are shown and delineated on a plan of subdivision;
 - (f) a parcel of land created pursuant to a bylaw passed by a municipality under section 665 of the Act.
- (3) For the purpose of subsection (2), a parcel of land is deemed to be a quarter section, river lot, lake lot, or settlement lot if the parcel of land would consist of a quarter section, river lot, lake lot or settlement lot except that land has been removed from the parcel of land by a subdivision effected only for a purpose referred to in of the Act or by a plan of subdivision or any other instrument that effected a subdivision.
- (4) A subdivision is required for registration of a separation instrument or caveat that has the effect or may have the effect of subdividing a parcel of land
 - (a) if the parcel of land is described in a plan of subdivision that was registered in a land titles office before July 1, 1950; and
 - (b) if the parcel of land contains 2 or more lots one or more of which is less than 8.0 hectares in area.

29. SUBDIVISION APPLICATION

- (1) A person may apply to the Planning Advisor for subdivision approval in accordance with the subdivision and development regulations by submitting a proposed plan of subdivision or other instrument that describes the subdivision.

30. PLANS AND INFORMATION REQUIRED

- (1) One (1) copy of the completed and signed application form which includes a section in which the applicant for subdivision approval may or may not consent to the municipality or its delegate carrying out an inspection at a reasonable time of the land that is the subject of the application.
- (2) An application fee to be determined from time to time by resolution of Council.
- (3) One (1) copy of the current Duplicate Certificate of Title for the land proposed for subdivision.
- (4) In the case of a subdivision proposal with not more than one new lot, and no public roadways or reserve lots, a sketch plan consisting of the following is required:
 - (a) the location, dimensions and boundaries of the land to be subdivided;
 - (b) the location, dimensions and boundaries of each new lot to be created;
 - (c) the location and dimensions of buildings, utilities, underground storage tanks and other improvements on the land that is the subject of the application and specifying those buildings and improvements that are proposed to be demolished or moved;
 - (d) the use proposed for the land that is the subject of the application;
 - (e) the method for provision of sewer and water to the proposed parcel.
- (5) In the case of a subdivision application involving more than two lots, a proposed plan of subdivision drawn by a Land Surveyor to a scale of not less than 1:2000, consisting of the following is required:
 - (a) the location, dimensions and boundaries of the land to be subdivided;
 - (b) the land which the applicant wishes to register in the Land Titles Office;
 - (c) the location, dimensions and boundaries of
 - (i) each new lot to be created,
 - (ii) the reserve land, if any,

- (iii) all rights-of-way and easements;
- (d) the location and dimensions of buildings and improvements on the land that is the subject of the application and specifying those buildings or improvements that are proposed to be demolished or moved;
- (e) the location of any existing or proposed railway lines or spur tracks;
- (f) the use or uses proposed for the land that is the subject of the application;
- (g) the method for provision of sewer and water to the proposed parcel.

31. TIME PERIOD FOR MAKING DECISIONS

- (1) A decision on an application for subdivision must be made within
 - (a) 21 days from the date of receipt of a completed application under section 28(4) of the By-law or;
 - (b) 60 days from the date of receipt of all other applications;unless an agreement to extend the time has been entered into with the subdivision authority within 14 days of the time prescribed.
- (2) When an applicant refuses to enter into a time extension agreement, the application is deemed refused and the applicant may appeal to the Appeal Board.

32. PUBLIC NOTIFICATION - SUBDIVISION APPLICATIONS

- (1) On receipt of an application for subdivision approval, the planning advisor must give a copy of the application to the Government departments, persons and local authorities required by the subdivision and development regulations.
- (2) On receipt of an application for subdivision approval, the planning advisor must give notice of the application to owners of land located adjacent to the land that is the subject of the application.
- (3) The notice under subsection (2) must describe the nature of the application, the method of obtaining further information about the application and the manner in which and time within which written submissions may be made to the subdivision authority.
- (4) A subdivision authority, when considering an application under this section,
 - (a) must consider the written submissions of those persons and local authorities to whom an application for subdivision approval or notice of application was given in accordance with this section but is not bound by the submissions unless required by the subdivision and development regulations; and
 - (b) is not required to hold a hearing.

33. CONDITIONS OF SUBDIVISION APPROVAL

- (1) A subdivision authority may impose conditions to ensure that the requirements of the Act, the regulations, the statutory plans and the by-law are complied with.
- (2) A subdivision authority may impose a condition requiring the applicant to enter into a Development Agreement with the Village for:
 - (a) construction of a public roadway required to give access to the development; or
 - (b) the installation of utilities necessary to serve the development; or
 - (c) an off-site levy or redevelopment levy under the Act.
- (3) The Development Agreement pursuant to subsection (2) may, at the option of the Village, be registered in the Land Titles Office in the form of a caveat against the certificate of title for the land that is the subject of the development agreement.
- (4) A caveat registered pursuant to subsection (2) shall be discharged by the Village when the requirements and conditions of the agreement have been met.

34. RIGHT OF APPEAL

- (1) A decision of a subdivision authority must state
 - (a) whether an appeal lies to the Appeal Board or to the Municipal Government Board; and
 - (b) if an application for subdivision approval is refused, the reasons for the refusal.
- (2) The decision of a subdivision authority may be appealed by:
 - (a) the applicant for the approval;
 - (b) a government department which is entitled to a referral under section 32(1) of the by-law;
 - (c) a school authority with respect to the allocation, location, or amount of school reserve.
- (3) An appeal may be commenced by filing a notice of appeal with the appropriate appeal body within 14 days of receipt of the written decision of the subdivision authority (deemed to be 5 days from the date the decision

is mailed), or the date that the application is deemed refused.

35. SUBSEQUENT APPLICATIONS

- (1) If an application for subdivision approval is refused, the subdivision authority may refuse to accept for consideration with respect to the same land or part of the same land, a further application for subdivision approval submitted to it within the 6-month period after the date of the subdivision authority's decision to refuse the application.

36. ENDORSEMENT OF FINAL PLANS AND SEPARATION DOCUMENTS

- (1) An applicant for subdivision approval must submit to the planning advisor the plan of subdivision or other instrument that effects the subdivision within one year of the latest of the following dates:
 - (a) the date on which the subdivision approval is given to the application;
 - (b) if there is an appeal to the Appeal Board or the Municipal Government Board, the date of that board's decision or the date on which the appeal is discontinued;
 - (c) if there is an appeal to the Court of Appeal under the Act, the date on which the judgment of the Court is entered or the date on which the appeal is discontinued;
- (2) On being satisfied that a plan of subdivision or other instrument complies with a subdivision approval and that any conditions imposed have been met or will be met, the planning advisor must endorse the plan or other instrument in accordance with the subdivision and development regulations.

37. VALIDITY OF SUBDIVISION APPROVALS

- (1) If the plan of subdivision or other instrument is not submitted to the subdivision authority within the time prescribed by section (36) or any longer period authorized by the subdivision authority, the subdivision approval is void.
- (2) If the plan of subdivision or other instrument is not registered in land titles office within one year after the date on which it is endorsed pursuant to this section or within the extended period prescribed under subsection (3), the subdivision approval of the plan or instrument and the endorsement are void and the plan or instrument may not be accepted by a Registrar for registration.
- (3) The Subdivision Authority which made the original decision may extend the periods referred to in subsection (1) and (2).

PART V - GENERAL LAND USE REGULATIONS

38. USE OF LAND

- (1) On receipt of a development permit a person may develop land for the purposes approved subject to meeting the regulations and any conditions imposed and shall not develop land otherwise.

39. COMPLIANCE WITH OTHER LEGISLATION

- (1) Nothing in this By-law effects the duty or obligation of a person
 - (a) to obtain any other permit, license or other authorization required by any Act or regulation, or under any other by-law;
 - (b) to comply with the conditions of any easement, covenant, or agreement affecting the building or land.

40. BUILDING DESIGN, CHARACTER AND APPEARANCE

- (1) The Development Officer or Municipal Planning Commission may impose any one or more of the following conditions:
 - (a) to ensure that the design, character and appearance of a building is compatible with other buildings in the vicinity unless it is setting a new standard of design, character and appearance for the land use district or a particular locality of it;
 - (b) to ensure that the design, character and appearance of a building is consistent with the purpose of the land use district in which the building is located;
 - (c) to ensure that a development complies with any provision of a statutory plan applicable to the design, character and appearance of the building in the district.

41. SITE DIMENSIONS

- (1) No permit shall be issued for any development on a site, the area or width of which is less than the minimum prescribed for the district in which the site is located, except that a lot of separate record in the Land Titles Office containing less than the required minimum area or width may be used subject to the discretion of the Development Officer if all other requirements of this By-law and amendments thereto are observed.

42. DWELLING UNITS ON A PARCEL

- (1) No person shall construct, locate or cause to be constructed or located more than one dwelling unit on a parcel, unless:
 - (a) the second dwelling unit is located on parcel located within the Urban Reserve District and is to be occupied by a person who is engaged on a full-time basis for at least 6 months each year in an agricultural pursuit, or
 - (b) the dwelling is a semi-detached, multiple unit, or apartment dwelling, or forms part of a comprehensively-planned condominium development, or
 - (c) the second or additional dwelling unit is a mobile home forming part of a park for mobile homes, or
 - (d) as otherwise provided for in this by-law.

43. COVERAGE OF SITE

- (1) The maximum area of a site that may be covered with either principal buildings or accessory buildings, or both, shall not be greater than the maximum limits prescribed for the district in which the site is located.

44. FRONT, SIDE AND REAR YARD SETBACKS

- (1) On each site there shall be established and maintained front, side and rear yards of such dimensions as will meet the minimum requirements of this By-law. Corner sites which have frontages on two streets are recognized as having two front yards and the development shall comply with the setbacks for the respective district.
- (2) Notwithstanding any other specific provisions contained in this By-law, yards in excess of the minimum requirements may be required when deemed necessary by the Development Officer.
- (3) The minimum distances required for yards do not apply to construction wholly beneath the surface of the ground.

45. HEIGHT OF BUILDINGS

- (1) No building shall be erected to a greater height than the maximum height prescribed for buildings in the district in which the building is proposed to be located.
- (2) The base from which to measure the height of a building is the mean grade of all streets and lanes abutting the sites where the building is located or the mean elevation of the ground adjoining the front wall of the building whichever is higher.

46. UTILITIES

- (1) When any services or facilities are required, a person shall not begin the excavation for the foundation nor commence the development until he has made provisions for such services or facilities to the satisfaction of the Development Officer.
- (2) No development permit shall be issued for a development to be served by private sewer and water systems until the systems have been approved by the appropriate Municipal and Provincial Departments.

47. PARKING AND LOADING FACILITIES

- (1) Off-street parking and loading spaces shall be provided as required by this By-law and as shown in the following table:

Use of Buildings	Parking	Loading Spaces
Dwellings	1 space/dwelling unit	
Community Buildings	1 space/28 sq. metres	
Manufacturing Plants, Mills, Shops	1 space/56 sq. metres	1/1,858 sq. metres
Motels, Hotels	1 space/guest unit	
Office: Administrative, Business & Professional	1 space/37 sq. metres	
Restaurants	1 space/6 seats for patrons	
Retail Stores & Service/Repair Shops	1 space/37 sq. metres	
Schools	1 space/classroom	
Warehouses	1 space/93 sq. metres	1/1,858 sq. metres
Theatres	1 space/15 seats	
Churches	1 space/15 seats	
Assembly Halls	1 space/9.3 sq. metres	

- (2) A parking space shall be located on the same site as the building or the use for which it is intended to serve and shall be located and constructed so that:
 - (i) reasonable access is provided to each parking space;
 - (ii) it can be properly maintained; and
 - (iii) it is satisfactory to the Development Officer in size and shape.
- (3) A parking space shall not be less than 14.8 square metres in area nor less than 2.4 metres wide.
- (4) Any loading space shall have at least 27.8 square metres in area nor less than 2.4 metres wide.
- (5) Any parking space or any loading space that is provided shall be developed and surfaced to the satisfaction of the Development Officer.
- (6) When a building is enlarged or the use of the building is altered in such a manner that additional parking spaces are required, provision shall be made for the total number of parking spaces required by this By-law.
- (7) Adequate curbs or fences shall be provided to the satisfaction of the Development Officer if, in his opinion, it becomes necessary to protect adjacent fences, walls, boulevards, landscaped areas or buildings on the site or an abutting site from contact with vehicles using such parking space or area.
- (8) The off-street parking shall be provided in the manner shown on the approved site plan with the entire area to be graded and surfaced so as to ensure that drainage will be confined to the site and disposed of in a manner satisfactory to the Development Officer.

48. ACCESSORY BUILDINGS

- (1) Any accessory building shall be located at least 1.5 metres from any principal building.
- (2) For the purpose of calculating yard setbacks and site coverage requirements as provided in this By-law, when

an accessory building is to be attached to the principal building it shall be deemed to be part of the principal building.

- (3) An accessory building erected on a site in a residential zone shall not be used for dwelling accommodation.

49. LANDSCAPING AND FENCING

- (1) Any area required to be landscaped shall be loamed and planted with grass, trees, shrubs, and/or flowers which enhance the appearance of the site and which complement the building thereon.
- (2) Any area required to be landscaped shall be landscaped so that the finished surface contours do not direct surface drainage onto an adjoining lot.
- (3) Notwithstanding anything elsewhere contained in this By-law, no person using a corner site in a Residential or Industrial District shall place or maintain in or upon that portion of the site within a triangle formed by the common boundaries of the site and the streets abutting it and a straight line connecting the two points on the said boundaries distant 7.6 metres from the point where they intersect, a wall, fence, shrub, hedge, tree or other natural or artificial object or structure, if such object or structure interferes with or obstructs the view of the driver of any vehicle using the streets.

50. HOME OCCUPATIONS

- (1) Home occupations shall be limited to those uses which do not interfere with the rights of other residents to quiet enjoyment of a residential neighbourhood. Home occupations shall be no more than supplementary uses to the principal residential building and shall not:
 - (a) have outside storage of material goods or equipment on or off the site;
 - (b) display any form of commercial advertising related to the home occupation and discernible from the outside of the building;
 - (c) require alterations to any building unless the alterations are approved by the Development Officer;
 - (d) create a nuisance by way of dust, noise, smell or smoke, or traffic generation;
 - (e) employ no other persons than the occupants of the principal residential building in which they take place.
- (2) An unlighted sign to identify the use conducted on the site may be placed in a window or attached to the exterior of the residence on the street side of the residence and the size of the sign shall be limited to 0.93 square metres.
- (3) Home occupations are limited to those which are approved by the Development Officer for the dwelling where they are carried on for a period not exceeding one year at which time application may be made for the continuance of the use.
- (4) The Development Officer may issue a temporary permit for a home occupation.

51. DEVELOPMENT STANDARDS FOR MOVE-IN BUILDINGS

- (1) An application for a move-in building shall be considered as a Discretionary Use by the Municipal Planning Commission after the following information has been submitted:
 - (a) recent colour photographs of the structure
 - (b) a report indicating the changes that are to be made to the building, both structurally and aesthetically, and the estimated cost.
 - (c) a site plan, application form, and non-refundable processing fee as established by Council.
- (2) Prior to deciding upon an application for a move-in building, the Municipal Planning Commission may request a report from a qualified building inspector on the structural condition of the building, and/or an inspection of the structure by the Development Officer and/or members of the Municipal Planning Commission. The applicant shall be responsible for the travel costs associated with any required inspections.
- (3) The standards to which the building shall comply shall be established by the Municipal Planning Commission at the time of the approval of the application and shall be such that the standard of construction of the building is at least equal to or better than the average condition of other buildings in the area prior to being moved.
- (4) The Municipal Planning Commission may request a performance bond or other acceptable surety which shall be equal to the value of the work required as determined by a qualified contractor.
- (5) All renovations to a "move-in" building shall be completed within one year of the issuance of the development permit.
- (6) For purposes of this By-law, mobile homes or modular homes shall be considered move-in buildings.

52. OBJECTS PROHIBITED OR RESTRICTED IN RESIDENTIAL DISTRICTS

- (1) No person shall allow:
 - (a) a commercial vehicle with a gross vehicle weight (GVW) rating in excess of 7,257 kg. to remain on a site or streets in a residential district for longer than is reasonably necessary to load or unload the vehicle and/or
 - (b) an unlicensed or derelict vehicle to remain on a site or street in a Residential District.

53. GENERAL MAINTENANCE

- (1) All sites at all times shall be maintained clean and free from waste and debris.
- (2) All doors and windows shall open within the bounds of the site.
- (3) All roof drainage shall be directed onto the lot or as required by the Approving Authority.

54. PROJECTION OVER SETBACKS

- (1) Except as provided in this part, no portion of the principal building shall project over on the minimum setbacks as required by the land use district regulations.
- (2) Those portions of and attachments to a principal building which may project over or on a minimum setback are:
 - (a) cornices, sills, canopies or eaves which project for a distance not exceeding one half of the minimum side yard required for the site;
 - (b) a chimney or fireplace which projects 0.6 metres or less provided that it is at least 1 metre from the property line;
 - (c) unenclosed steps which project not more than 2 metres over a minimum front or rear yard, and not more than .5 metres over a minimum side yard.

55. NON-CONFORMING BUILDINGS AND USES

- (1) A non-conforming use of land or a non-conforming use of a building may be continued, but if that use is discontinued for a period of six consecutive months or more, any future use of the land or buildings shall conform with the provision of this By-law.
- (2) A non-conforming use of part of a lot shall not be extended or transferred to other parts of the lot and no additional buildings shall be erected upon the lot while non-conforming use continues.
- (3) A non-conforming use of part of a building may be extended throughout the building, whether the building is non-conforming or not, however, the building shall not be enlarged or structurally altered except:
 - (a) as may be necessary to make it a conforming building; or
 - (b) as the Development Officer or the Municipal Planning Commission, as the case may be, considers necessary for the routine maintenance of the building; or
 - (c) as the Municipal Planning Commission approves for minor alterations up to a maximum of 10% of the value of the building.
- (4) If a non-conforming building is damaged or destroyed to the extent of more than 75% of the value of the building above its foundation, the building shall not be repaired or rebuilt except in accordance with this By-law.
- (5) The use of land or the use of a building is not affected by a change of ownership, tenancy or occupancy of the land or building.

56. CANNABIS USES

- (1) For the purposes of this section 'Cannabis Uses' shall include Cannabis Lounges, Cannabis Retail Sales, and Cannabis Production and Distribution.
- (2) Cannabis Uses shall be stand-alone uses and cannot be combined with another use. However, a Cannabis Retail Sales can occur in a multi-tenant building or as part of a mixed-use development assuming there is no common entry or way of passing from one unit to another.
- (3) Cannabis Uses shall be separated by 100m from Medical Clinics and Schools as defined in this bylaw. For the purposes of this subsection:
 - a) Separation distance shall be measured from the closest point of the subject site boundary to the closest point of another site boundary, and shall not be measured from edge of structures.

- b) The Development Authority shall not grant variances to the established separation distances.
- (4) Prior to issuance of a development permit the Development Authority may require specific design requirements that ensure that the development provides a safe environment, including but not limited to façade design, exterior illumination, landscaping, screening, building orientation and access, and/or measures that prevent nuisances such as odour..
- (5) Unless specifically addressed in this bylaw, Cannabis Related Uses shall comply with all Federal and Provincial Legislation and Alberta Gaming and Liquor (AGLC) regulations.

57. THE LAND USE DISTRICT MAP
